*“...e nella notte,
le tue mani toccheranno
i gioielli del sole.”*

E' con questo incipit che LineaCalì presenta le sue nuove collezioni di maniglie impreziosite dai mate-magici cristalli CRYSTALLIZED™ - Swarovski Elements.

La luminosità infinita dei cristalli CRYSTALLIZED™ - Swarovski Elements si fonde così con il design concepito da LineaCalì, trasformando degli oggetti di uso comune in gioielli dalle mille sfaccettature e dagli infiniti riflessi di luce che commuovono occhi e cuore.

*“...and in the night,
your hands will touch
the jewels of the sun.”*

It is with this incipit that LineaCalì presents its new collections of handles, embellished with magic crystals CRYSTALLIZED™ - Swarovski Elements.

The infinite luminosity of the crystals CRYSTALLIZED™ - Swarovski Elements blends in with the design created by LineaCalì, transforming everyday objects into jewels with a thousand facets and with infinite reflections of light that move the eyes and the heart.

A high-end, modern door handle with a polished metal finish. The handle features a horizontal bar with a series of ten clear, faceted crystals embedded along its top edge. The handle is mounted on a dark, reflective surface, creating a clear reflection. The overall design is sleek and sophisticated.
